\*\*To earn credit for this class, you must pass the final test with 80% or better.

\*\*The date of the final test will be Wednesday, May 25, 2016

### Class rules

- 1) Students should attend class at least 80% of the time (no more than 3 absences)
- 2) Students should not disrupt the learning environment for other students
- 3) Students should listen to the teacher, and should not talk while the teacher is talking
- 4) Students should turn off or silence their cell phones during class
- 5) Student should come prepared to participate in class.

**\* If students do not follow the classroom rules, they may be dismissed from class**

### Materials to bring every class

- pencil
- folder
- notebook or loose-leaf paper
- completed homework

The website for this class is: **[www.MathleticsDepartment.com](http://www.MathleticsDepartment.com)**

### Process for addressing ESL student concerns:

- 1) The student having a concern should speak personally with the teacher. Out of respect for the teacher and other students in the classroom, concerns should be addressed before or after class.
- 2) If concerns cannot be resolved by a conference with the teacher, the student may request a meeting with the ESL lead teacher. Meetings are by appointment only and can be made in the office.
- 3) If concerns cannot be resolved in Step 2, the student may request a meeting with the Director of Adult Education.
